

# Fast, Easy, Convenient

## Fingerprinting for Business

Security clearance fingerprinting is time-consuming and complex, and your Facility Security Officers and other trusted individuals have other work to do.

SureID clears the path for a faster, easier, more comprehensive fingerprinting process with their partner, Inquiries Screening.

SureID also offers business employment screening, financial services clearances for investigatory agencies, and identity and access biometrics services for government groups large and small.

**1.2  
million**  
civilians require  
new government  
security clearances  
every year

**Spend less time on clearance fingerprinting  
and more time on real security.**
