

Travel depends on proven identities. SureID can help.

Fingerprint and facial identity biometrics

play an ever-increasing role in expediting airport security lines, customs review, and even in-flight purchases. SureID's convenient nationwide biometric enrollment network empowers your organization to embrace these innovations faster.

SureID's military-grade security is perfectly positioned to support:

- Airlines
- Transportation authorities
- Visa issuing approved bodies
- E-Passport and Secure Identity Passes
- Border entry and diplomatic access

Deep Experience You Can Trust

Over half a billion travelers have passed through gates secured with SureID technology.

SureID Registration Stations are available in all 50 states and Washington DC, allowing travelers to enroll in identity verification programs that make reaching their next destination faster, easier, and more convenient.

Travel is swiftly moving toward biometric-enabled processing

77% of airports and 71% of airlines are planning major programs or R&D in biometric ID management over the next five years.

Nearly 3 million travelers use biometric clearances today.

57% of passengers say they'd prefer biometrics to passports and boarding passes.

SureID

The SureID[®] Advantage

As Easy to Use as Your Smart Phone.

SureID's biometric data collection system is simple, modern, and intuitive. The touch-screen interface works exactly how you'd expect, while our tamper-proof hardware platform keeps your sensitive data safe and secure. It's the simplest, most reliable solution available.

Close to Home

Over 80% of the US population is less than 30 minutes from a convenient SureID Registration Station.

In collaboration with The UPS Store[®], we offer a single-sourced network of nearly 1,000 biometric registration locations in all 50 states and Washington DC.

Find us at sureid.com/locations.

Better Tech = Better Experience
